Field Trip:

15 Minute Greet & Talk: Greeting by one of our Famers with a short talk catered to the age group about our farm and tulips.

Cow train Ride: Enjoy a bumpy ride around the farm and by the tulips. (On sunny busy days there may be a line for the cow ride).

Tulip Field Access: Your field trip gives your group access to wander the tulip fields at your leisure, for as long as you would like. Don't forget to take your group to the free kids' area with slides, photo cut out boards, and the duck races.

Tulip: Each person gets a flower to take home. Depending on the day of your field trip your group will either have the opportunity to pick a flower in our designated picking field or they will be able to choose a color from pre-picked tulips.

Available Times/Prices: Monday- Thursday; 9am-4pm; March 28th-April 27th, 2017

\$5.00 per child; a free adult chaperone for every 3 paid children (minimum of 10 children for field trip prices)

Please return/contact us at least 3 days before requested date; some dates fill up quickly.
Be aware that the weather is a very strong factor in how much color is in the field, or mud in the fields.
